COMMUNICATION AFTER ALLOWANCE REGARDING PATENT TERM ADJUSTMENT

Sir:

This application was allowed on May 25, 2005 and the Issue Fee will be paid on or shortly before August 25, 2005.

One of the attachments to the Notice of Allowance and Issue Fee was a Determination of Patent Term Adjustment under 35 U.S.C. §154(b) that indicates that the "patent term adjustment" to date is 110 days.

However, as can be seen from the attached Patent Term Adjustment Chart, during the period from December 18, 2002 through September 16, 2003, the application was under a 3 month

CERTIFICATE OF MAILING (37 C.F.R. 1.8a)

I hereby certify that this paper (along with any paper referred to as being attached or enclosed) is being deposited with the United States Postal Service on the date shown below with sufficient postage as first class mail in an envelope addressed to the Mail Stop Issue Fee, Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450.

period of suspension. In the Request for Continued Examination filed December 18, 2002, applicant requested a 3 month suspension of prosecution. Since prosecution was suspended from December 18, 2002 until March 18, 2003, it would appear that the starting date for determining whether the USPTO response was timely or not should be March 18, 2003.

In view of the foregoing, it is respectfully requested that the Office of Patent Legal Administration re-check the Patent Term Adjustment calculation and issued a corrected Determination of Patent Term Adjustment as needed.
